Benefit Description	Explanation and Limitations	PPO Providers (In-Network)	Non-PPO Providers (Out of Network)
Prescription Drugs (Outpatient) - Drugs may be purchased at a Retail Pharmacy or through the Mail Order (Home Delivery Service) for maintenance medication. - The Plan covers medically necessary FDA approved drugs which may be lawfully dispensed by a Physician or Health Care Practitioner. - Payable drugs include but are not limited to prescription contraceptives, diabetic supplies, drugs to treat or prevent HIV, and prenatal vitamins.	- The Trust has contracted with an independent Prescription Benefit manager (PBM) to administer the Prescription Drug Program. The PBM provides a network of retail pharmacies that offer a discount on prescriptions, a mail order service for home delivery of prescriptions and processing of outpatient prescription drug claims. - Step Therapy is administered by the Prescription Drug Program for certain drugs. This process requires use of a 30-day trial of a cost-effective medication prior to use of a more expensive medication, such as the use of drugs available to be purchased over the counter (OTC), before use of prescription product like Nexium. - Some drugs have a quantity limit or may require prior authorization by contacting the Prescription Drug Program. - See Article III Part D in the Benefit Booklet for drugs that are not payable by the Plan. - Expenses for outpatient prescription drugs do not apply toward the Plan's Coinsurance Maximum. - Certain over the counter medications will be covered by the Fund. Prilosec OTC and Claritin OTC will be covered at the generic copay. Both will require a valid prescription from your doctor. *Prior authorization is required for members who truly need the brand medication due to a clinical failure of the generic product or because of an allergy to the generic product (and expect a generic copay)	In-Network Retail Pharmacy: (up to a 30-day supply) <i>Generic:</i> 100% after a \$10 co-pay <i>Brand with no generic available:</i> 100% after a \$30 co-pay <i>Brand with generic available:</i> 100% after a \$75 co-pay Mail-Order (3-Month Supply) <i>Generic:</i> \$20 co-pay <i>Brand with no generic available:</i> \$60 co-pay <i>Brand with generic available:</i> \$150 co-pay	Non-contracted Retail Pharmacy within the service area: 60% of billed charges Non-contracted Retail Pharmacy outside the service area: 80% of billed charges.
